# Components Of The English Classroom Kit

- 700 laminated resource cards printed back to back, numbered and laminated for daily distribution among the students to read, write, discuss, remember and recall anytime.
- The resource cards have a profound collection of English contents that include all the essential 'Facets of English language' along with exclusive Vocabulary put in phrasal examples of sentences in usage.
- The cards are laminated with 2.3 microns plastic for longevity.
- The standard of understanding of the participants is the index for the choice of cards and for the depth of tutorial interpretation which is left to the discretion of the teacher or the trainer.
- A consummate handbook on the Facets of English Language authored and compiled by A .Ramesh Rao of Wordsworth Academy is given as a Teacher's/Trainer's handbook for easy sequential reference of the card contents to build up periodic interpretations .

## Benefits

- A deep awareness of the various interesting Facets of English Language is given .
- Quick and effective techniques to improve the word power and usage are practiced .
- Improved styles of sentence articulation and idiomatic expressions in day to day communication is given as exercise .
- Hold a strong resolve to speak only in English and inspire the students to follow.

## One time Investment

Wordsworth English Class requires you to make a onetime investment of Rs. 50,000/- to procure the 'English Class Kit' .

Wordsworth English Class kit can serve as a shareware at the center for at least 250 students at a time.

Wordsworth Academy shall supply the work book periodically on cost for daily writing exercises.

Well . This is not a franchise operation where you share your income with the principal company.

'Wordsworth English Class' is a completely independent enterprise program for you to work from home and enjoy the benefits fully.

The operational simplicity and the attractive commercial benefits can be explained in the process of confirmation .

Kindly Confirm your interest with Mr. A. Ramesh Rao -- Author and Chief Trainer ( Phone 7339441023 )

**Mr. A. Ramesh Rao BE**  
**Author and Chief Trainer**  
**( Phone 7339441023 )**

Ramesh Rao is basically a mechanical engineer who always had a keen interest in languages. He is a rare author of some literary works of poetry and translations of classical works from Tamil to English. In the last two decades, he has given a variety of solutions for Language Enhancement to various institutions and has conducted many training programs . He was involved in the successful implementation of wireless language labs in about 250 schools and colleges in various parts of the country. With a passion for languages, he was part of a research team to enhance the linguistic abilities of the first generation English learners using 'Phrasal Methodologies' of teaching the English language. This module of the Wordsworth Class Kit has been thoughtfully compiled and authored by Mr. Ramesh Rao for the benefit of all types of participants.
